

Duplo Isolamento unknown

EAN: 5607353007813

Emb.: 1

Peso Líquido: 2.1kg

CARACTERÍSTICAS GERAIS

Complies with EN 62208

Available for flush, semi-flush and surface mounting. Flush with the wall

Made from fiberglass-reinforced polyester

RAL 7035 grey color

Resistant to corrosion, chemical agents and ultraviolet rays

Self-extinguishing, class V0 UL94

With triangular lock already fitted

Class II insulation

IP65/IK10

Halogen-free

CARACTERÍSTICAS TÉCNICAS

Preço sob consulta	No
Brand	TEV
Icons	IP65, RAL7035, Duplo Isolamento
Cor	No
EF000002 - Nominal voltage	400 V
EF000001 - Nominal current	100 A
EF002169 - Material	Composite
EF000139 - Surface protection	Untreated
EF026395 - Degree of protection (IP) cabinet	IP65
EF000007 - Colour	Grey
EF000116 - RAL-number	7035
EF000008 - Width	275 mm
EF000040 - Height	312 mm
